

We use Cookies to personalize your navigation and improve our website. To find out more about what Cookies are, how they are used and how to deny your consent to use all or some of them, check out our Cookies Information.

By accessing some element under this banner, you consent to use Cookies.

How to use Cookies

Like many websites we use Cookies to store and reuse small snippets of information on a computer while visiting our site.

This information is used to improve the site operation.

It does not allow to identify the user, but can be used to store personal preferences and settings.

Some of the stored information belongs to other companies whose software is added to our site.

This could affect your navigation experience while visiting other web sites after ours.

If you continue to browse this site without taking appropriate measures to prevent storing this information, then you implicitly accept its application.

If you want to know more about Cookies application, including the ways to avoid storing them on your computer, please visit CookiePedia site – All About Cookies.

Below is the list of different types of Cookies used on this site, and explanation on how to use them. If you require more information, please contact us.

Mandatory Cookies

These Cookies are needed for the site operation.

They are usually set only in response to your actions followed by request of such services as login or compilation of modules.

You can set your browser to block or alert the user of these Cookies, but some of the site parts will not be functioning any more.

These Cookies do not store information about personal identification.

Performance Cookies

These Cookies allow us to count visits and traffic sources providing the opportunity to measure and improve the performance of our site.

They help us to find out which pages are the most and the least popular and see how visitors browse the site.

All the information gathered by these Cookies is aggregated and therefore anonymous.

If you do not agree to these Cookies we will never know when you have visited our site, and we will not be able to monitor its performance.

Functional Cookies

These Cookies allow the web site to provide auxiliary customized functions.

They can be set by us or your providers whose services have been added to our pages.

If you do not agree to these Cookies some or all these services might work incorrectly.

Targeting Cookies

These Cookies can be set using our site by our advertising partners.

They can be used by these companies to build a profile of yours interests and show you relevant ads on other sites.

They do not store personally identifiable information, but they are based on unique identification of browser and device providing the Internet access.

If you do not agree to these Cookies, you will receive less targeted advertising.
